

Dear Buffelspoort Guests

On behalf of the Buffelspoort staff, a hearty welcome, and we trust that you will depart with pleasant memories at the end of your stay. I am excited to meet you personally, as well as to hear good stories and any suggestions for improvements to our resort.

Every year, the ATKV aims to take on capital projects for improvements to our accommodation and facilities. Our 44 four-bed rondavels are being renovated, so we apologise in advance for the area that is currently under construction. When next you visit us, you can also look forward to our solar energy project, starting soon.

Buffelspoort is a family resort and everyone is here to relax. Let's respect one other this holiday. Familiarise yourself with the rules to ensure that everyone enjoys their time with us.

A service manager handles the after-hours emergency number (073 002 8259). For your convenience, this number can also be found inside your unit and on your vehicle permit.

Please support our shop and Koswerf Restaurant on the premises.

Last but not least – our entertainment team, under the direction of Andre Nagel, is ready to entertain both young and old. Support the activities and discuss – we like exciting new ideas.

The team is here for your convenience. Let's talk and sort out any problems on the spot.

Be safe, keep your distance and sanitise regularly at the various stations available on the resort.

We pray for your safe return journey and hope to see you here again soon.

Kind Buffelspoort regards

Elza-Lee Pretorius

Resort Manager
